Task 3 - RE

Have a look at the power point (C power point)

The Cadbury brothers were Quakers. This had a huge influence on how they ran and grew their business. If you were to create a village, as the Cadbury brothers did, what would you include? What do you think would be important features of a village and create a sense of community?

Create your village. You could either do this by drawing it, creating it out of block such as lego or even making a 3D model from scratch. Remember to label your buildings.

Some pictures to inspire you:
