Task 4: Leaflet

You have nearly finished Year 5 at RHJS, so you are experts on everything that happens in Year 5! What advice would you give to the Year 4 children who are moving up to Year 5 in September? Think about:

- Lessons & learning
- Topics
- Teachers
- Expectations
- School trips
- Classrooms
- Responsibilities
- Homework
- General advice and tips for success!

Once you’ve done some thinking and planning, see if you can create an information leaflet all about life in Year 5, which could be given to a Year 4 child to reassure them about coming up to Year 5. Try and make your leaflet friendly, easy-to-follow and colourful. Perhaps you could include some pictures/diagrams and captions too!
