

Meridian Community Nursery weekly home learning

This week's home learning is all about transition for those starting school in September. Ideally most children will be able to do the following in preparation for starting school:

- Recognise and write their name.
- Recognise numbers to 10 and order numbers to 5.
- Count to 10.
- Go to the toilet independently.
- Show an interest in stories and talk about what has been read.
- Put their coat on by themselves.
- Feed themselves independently.
- Can form some recognisable letters holding a pen using tripod grip.
- Can use scissors independently.
- Know a range of songs and Nursery rhymes they can sing confidently.
