Wednesday 8th July 2020

Dear Parent/carer

Tomorrow you will receive your child's annual end of year report. The class teacher will send it to you via the email address they used to set you the Teams account or through Clasdojo. The report will be password protected with your child's date of birth. For example, if your child was born today, the password would be 08/07/2020.

The teachers have spent a long time working on these reports which generally reflect the year up to the point of Lockdown (20th March) and were mainly written in April//May time so that they would have a fresh knowledge of the children's attainments. Clearly, a great deal has changed between then and now and some reports will have reference to the online work that has been going on recently.

As ever, I have read them all and added my comments which has been done in recent weeks,

In line with guidance from Durham County Council, the reports do not contain the usual assessment information or grading of attendance, punctuality etc. as, due to the disruptions caused by COVID-19, this information would not be accurate.

I hope you appreciate that the writing of these reports has been very challenging this year and I am aware that some of you might not see the relevance of them. Reports are a statutory requirement and under these challenging circumstances, we have tried to give as accurate an account of your child's year as possible.

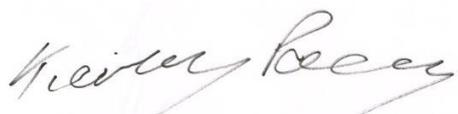

Should you wish to discuss anything on the information in the report, please contact the class teacher using the same method as the report was sent. We are also very happy for any other comments to be return this way. You can also use the email address vaneroadparents@durhamlearning.net if you wish to share anything with a member of the Senior Leadership Team.

Sending out all the reports individually will take some time so please be patient. If you have not received yours by 4pm, please email vaneroadparents@durhamlearning.net

Please remember that there will be a pause in the on-line learn to enable the children to be transferred to their new teacher. From Monday, there will be some online transition work set by the new teacher.

I hope that you are all safe and well. We are busy putting the arrangements together for September and I hope to share these plans with you on Thursday 16th July. We can't wait to see everyone!!

Your sincerely

A handwritten signature in black ink, appearing to read 'Kieran Pavey', written in a cursive style.

Mr Kieran Pavey
Head Teacher
