Believe in ourselves, be the best we can be

9.7.20- Newsletter

September

We have now received guidance from the government around the full opening of schools in September, it is clear that all children are expected to return to school. We are in the process of completing risk assessments and planning to ensure a smooth and safe return to school for all children. We will be in contact before the children return on the 7th September with further details of how the school day will look.

New Uniform

September will also see a return to wearing school uniform which will be a shock for us all! Just a reminder that if your children have been noticeably growing after all of the Lockdown snacking, information about how to purchase new uniform is on our website.

New Classes

An email will be sent home on Monday confirming your child's class and teacher for the next academic year. This year, there will be no movement of teachers from their current classes or new teachers joining us.

Gifts for Staff

We have had some enquiries from parents who have wanted to give gifts to staff at the end of the school year but were unsure about how this could be arranged. For those of you that would like to do this, we ask that you bring labelled gifts to the main gate where we can collect them from you and ensure that they are given to the staff member. To help us in avoiding any gathering at the gate, we ask that gifts are dropped off throughout the week at any point during the school day.

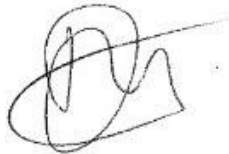

Y6 Leavers

It's been a strange time for our eldest children in the school and we are saddened that some of our traditional ways to say goodbye are not able to take place. However, we are looking forward to our very first Zoom

Leavers Assembly next week and sharing our Leavers Books, donated by FOBS. We are also arranging a video for the Y6 parents which will show them 'Ringing the Bell' in their bubbles before they leave, a favourite Bishop tradition!

Take care, stay safe and we will see you soon.

Kind regards,

Dave Killoran
(Headteacher)

Friday 10th July	Explorers Reports sent home
Friday 17th July	Last Day of Summer Term
Monday 7th September	First Day of Autumn Term- more information to follow next week
