

Weekly Newsletter

10th July

Dear Parents and Carers

I can't believe how quickly the time is flying as we approach our last full week of term. The Year 1 picnic took place yesterday and it was fantastic to see so many of the faces that we have been missing. I'm sure the weather is due to brighten up next week, so hopefully lots of you will be able to make it to your own class picnic.

Just a reminder that next week's picnic dates are:

Class 6 Picnic—Monday 13th July

Class 5 Picnic—Tuesday 14th July

Class 2 picnic—Wednesday 15th July

Class 3 Picnic—Thursday 16th July

Class 4 Picnic—Friday 17th July

We are so looking forward to seeing as many of you as possible. If the weather is against us, please look at the jotter as any late cancellation will be sent out via it.

Next week there will be a letter being sent out about our September arrangements, so please look out for it.

With best wishes

Suzanne Farr

Reports

Hopefully you have all received your child's school reports—if you haven't yet, please don't worry as it is in the post. Those children that were in school were given theirs by hand.

I would like to thank all of our teachers for writing these as it has been quite a challenge due to the school closure.

If you have any questions regarding your child's report, or in Year 5 the CAT report if your child completed it, please do not hesitate to contact your class teacher.

Year 5 Summer group

Thank you to those who have signed up for the focus group from 3rd-7th August.

Due to building works in the school, I need to adjust the timings. The club will run from 9:30-12:30 each day. The children are welcome to bring a drink and a snack, and their own pencil case please.

If you have not signed up but would like your child to attend, please email the office to let them know.

School Uniform

If you need to order school uniform for September, please contact the office via email or telephone. Mrs Maynard will happily help you place an order and let you know when you can collect it.

Request from Mrs Waters and Mrs Wickham!

We are on the lookout for some resources for the EYFS classroom that can be used for next academic year. If you have had a clear out over the last few months and have any of these things we would be very grateful. Please contact Mrs Waters on zwaters@capel-tonbridge.kent.sch.uk if you think you can help. Thanks in advance!

- parts for a Brio train set
- marble run
- Jenga set(s)
- car garage / anything to go with this
- smooth stones or pebbles (about the size of a large egg and slightly bigger)
- anything that could be used in a 'home' corner (e.g. cooker, kitchen bits etc.)

Star and Luna

Today is a special day for our lovely Guinea-Pigs, Star and Luna, as they are off on their first adventure. Wynter and Wren are looking after them for the weekend!

The guinea-pigs are excited and can't wait to be spoilt for the weekend. They have promised me pictures, so watch this space in next week's newsletter to see what they got up to!

If you would like the opportunity to look after them for the weekend too, please let us know.

Thank You

To those that have been able to take the time to complete the survey on our website—thank you. It will be incredibly useful for us to know how best to support your child and their return in September. With the responses we have already received, we are able to start making plans!

If you haven't completed the survey, we would appreciate it if you could please. It is on the website, click on the Parent section below the photograph on the Home page, and it is the top link. You will need to copy and paste it into your address line. It doesn't take long, but is incredibly useful.
