

Newsletter

Friday 10th July 2020

Dear Parents,

I hope that you are all well.

I can't quite believe that this will be the last newsletter in this current format. I'm sure like me you are looking forward to getting back to some normality in September. Fingers firmly crossed.

Later today I will be sending out a plan for September which follows the Government guidelines for fuller opening which were published last week. As always, I would appreciate your feedback. Please bear in mind that what we are planning to do at Holtsmere Infants may vary to what other schools are doing but we have to work with the space we have and the fact we are an Infants school.

School Reports

If your child is currently in school they will receive their report to take home today. All other reports will be available to pick up from the school office between 10 and 2. We have stipulated these times to avoid congestion at drop off and pick up times. Normally you would complete a reply slip and return it to school but in these circumstances you are unable to do this, please email any comments, questions you may have to head@holtsmereinfants.herts.sch.uk

If you do want someone else to pick up your child's report please call the office first.

Free School Meals vouchers

Vouchers are available NOW to collect from the office between 10 and 2. There are 3 weeks' worth of vouchers up until 17th July and a voucher for the summer holidays. These MUST be collected by the 16th July as due to the high monetary value we do not think that it is safe to post them.

Meet the teacher

Please check the App for details for meet the teacher timings which begin today.

Year 2 farewell

We are very much looking forward to seeing our Year 2 children again on Friday 17th at 9am. Please check your inbox for details of which door to drop off at.

This week's home learning

Next week's home learning projects are focussing on 'Transitions' we hope that you enjoy them. They are on the website now! Thank you to all of those parents who have been sending their home learning photos in over the weeks. We have loved seeing them.

Have a lovely weekend.

A handwritten signature in blue ink that reads 'Nicola O'Connell'.
