Summer 2

WB 6th July 2020

Nursery
Reception
Year 1
Year 6
and
Keyworkers &
Home Learners

Dear Parents, Carers and Children,

What a busy week here at Whittle Academy! This week's learning theme was "Foods & Farming" and our children both at home and at school have really embraced it. We have seen lots of wonderful work, including lots of cookery and science. Well done everyone!

By now you will hopefully have received your child's school report; we hope you enjoy reading them. It was strange writing reports during lockdown, not knowing if we would re-open before the summer etc, but we felt it really important to capture your child's progress from September to March and celebrate all that they have achieved.

Full Re-opening - Autumn Term

A detailed letter explaining our full September reopening plans, and amended curriculum offer, will be sent out by next Wednesday (15.7.20). We want to let you know we are working hard to get everything in place to welcome all the children back at the start of the Autumn Term.

Wishing you a lovely weekend,

Mrs Amy Husband and Mr Rob Darling

Associate Headteacher & Head of Education Primary

Yr 6 Bubble News

This week Bubble C have been beginning to look at the transition to secondary school. We have been looking at the book, 'You Are Awesome', by Matthew Syed. He talked about 'Kid Awesome' and 'Kid Average'. We are aiming for awesomeness! Trying hard, being dedicated and focused, not giving up easily, staying positive during hard times, asking for help, overcoming fears and trying new things. We loved this quote from Michael Jordan and discussed how a growth mindset helps us overcome failure (which is normal and something we must all face) to be successful instead of giving up.

Yr 1 Bubble News:

This week in Yr 1, we have story mapped 'The Three Little Pigs'. We have been looking at halves and quarters in Maths and creating some farmyard animals using our fingers. We LOVE messy learning!

What parents and carers need to know about schools and other education settings during the coronavirus outbreak. Updated information for parents from DfE:

Home-Learning News:

Well Done Chef Bella!

Bella in Yr 3 has been making ice-cream as part of our 'Food and Farming' Project. She's also been growing vegetables with her brother Ethan in Reception and baking bread! Yum Yum!
