SEPTEMBER OPENING

We cannot wait to get all the children back in September. We have missed **Years 2 to 5** tremendously. I hope that over the next week or so children will be able to see their new teacher read a story. We will also have many photographs on the Reception page for new starters to school, but you might like to look at these with younger children– so you can think about what is the same at school. We also hope to do a fun video so you see all the ‘grown ups’ faces. In addition, we will be producing a video for people who may want to be our new Head Teacher. This video will be a little tour of the school, again it might be comforting for children who have not been to school since March to see that we are all still here and school is still here for them. In September, teachers normally do an introductory curriculum evening. This will not be possible in September 2020, as we will still be following strict government guidelines. Please copy the link below in to your browser if you would like to read some of the guidance for yourself.

Therefore, for this year only, we are putting the PowerPoints that we would normally deliver in person on the school website. Mrs Filarowski has managed to get hers completed, so Year 5 parents and children do have a look at the main Year 6 page.

OPENING SAFELY IN SEPTEMBER

We will have to produce a modified Risk Assessment for opening the school in September. This is to protect both staff and pupils. If a member of staff (or pupil) tests positive for Covid-19 we would have to ask all the pupils and adults that have had close contact with that person not to come into school for 14 days. As you can imagine this would not be very convenient for parents and carers as there would be **no exceptions**. It is important that we keep everyone safe and healthy and we minimise the number of pupils that come into contact with each other and with different staff. Please be mindful of ‘sticking’ to government guidelines outside of school (however confusing these might be) as we do have vulnerable adults and pupils in school and we do want to avoid anyone getting the bug if possible. Please see the table below with the staggered starts for next year. We strongly urge parents to park at the retail park or the church carpark. Do not come to school too early and cause congestion or inconvenience to our neighbours in Crofters Lea. Please lead by example and show your children how sometimes we have to go out of our way for the good of everyone.

Beginning and the end of the day. The school will use three entry/exit points. Parents please **do not** come on to the school site – staff will collect children from the gates specified.

	Start	Finish	Where to drop off / Pick up
Group A (Years 2,4,6)	8:40	3:10	Year 2 =KS1 gate. Year 4= Top Carpark, Year 6 = KS2 Gate
Group B (Years 1,3,5)	8:50	3:20	Year 1 =KS1 gate. Year 3= Top Carpark, Year 5 = KS2 Gate

CHANGE IN UNIFORM FOR 2020/21

There has been some enquiries about uniform. If you have smart black shoes from this year, that still fit, we do not expect you to go out and buy anything new. We definitely will not be happy with very bright coloured trainers so if this is all you can find then please buy black shoes instead. We want the children to be smart and respectful at all times and this is the reason for uniform. **Year 5 and 6** can come into school in their PE kit on PE days (as there will not be the facility for boys and girls to change separately during the current restrictions). This will be a long pair of black jogging trousers, white T-shirt and the black school PE hoodie. If they do not own a black sport top then please just wear the ordinary school jumper or cardigan.

Extract from the school Prospectus.

School Uniform

We believe smart children have a more positive attitude to learning. Here are some simple rules closely linked to uniform.

- School uniform should be worn at all times.
- **Children are expected to change into black pumps for indoor wear.**
- PE kit (white Ss. P&P t-shirt and black shorts) should be worn for all PE lessons.
- Trainers must be worn for all outside PE lessons.
- Black Ss. P&P sports tops are for outdoor wear only.
- No jewellery other than watches or stud earrings should be worn (to be removed during PE).
- Hair accessories should be plain and hairstyles smart and appropriate.
- Nail varnish is not allowed.
- No chewing/bubble gum allowed.
- Wallets or book bags **only** should be used.

Pump bags (for PE kits) and book bags are purchased from the school office.

Reading Books/100 Reads Books/ Library books

Please can **all** books be returned to school by Monday 13th July at the latest. If you could bring them to the front door and place them in the large box outside (if the weather is bad just inside the door). Thank you.

SCHOOL LUNCHES – SEPTEMBER 2020

You will have now received the new school lunch menus for September 2020 to your email. May we remind you that we must receive a response by Monday 13th July if your child would like a grab bag school lunch. There is no need to reply if your child will be bringing a packed lunch to school. If we do not hear from you by Monday, we will assume that your child will be bringing a packed lunch each day. Meals remain free to Reception, Year 1 and Year 2 as part of the Universal Free School Meals scheme. For Years 3, 4, 5 and 6, the cost is £2.40 which is payable on ParentPay.

HYMNS AT HOME – ONE DIOCESE, MANY VOICES

Please see below a message we have received from Thomas Leech from the Diocese of Leeds Music Department. We do hope you will all be able to watch this on Sunday.

*On Sunday we have a lovely online **Diocesan event 'Hymns at Home: One Diocese, Many Voices'** - an opportunity to join in with favourite hymns - many of which have been specially*

recorded during lockdown by our choir members (recording their lines at home, then we've edited it all together). I'm particularly pleased with the recording of Christ be Our Light, and delighted to have lots of children from class and key worker bubbles in local schools taking part. Bishop Marcus will be introducing the broadcast, with prayers from Fr Chris Angel and Fr Simon Lodge.

Tune in on Sunday at 3pm at www.schoolssingingprogramme.org.uk

LEEDS CAMPS

Leeds camps are running some of their programme over summer. Please visit leedscamps.co.uk for more information.

LEADER IN ME

Do have a look at our new Leader in Me page on the website. Habit 2 is on there now with a story from Mrs Todd about a mouse who is proactive and sets off on a journey with the end in mind. He learns that we all have a lion and a mouse inside. Sometimes we can be brave, but everyone is frightened of something. <https://www.sspeterandpaulyeaddon.co.uk/downloadfile/15160920>

DANNY (1) AND HIS AMAZING CHARITY WORK!

You may remember a photograph that we put in the Newsletter a couple of weeks ago of Danny raising money for AVSED. Well he has managed to raise a magnificent £500 for the charity, and we thought he deserved a special mention! His initial target was £90 for cycling 90 miles in a month, but as you can see, he has absolutely smashed his target! Please look at this link to read more <https://www.thetelegraphandargus.co.uk/news/ilkleynews/18560673.amp/> . We are all very proud of you Danny!

LEXIA

Wow – all these children have done over 100 or almost 100 minutes this week.
Kya Year 6 is the champion of champions with 208 minutes. Well done Kya.

Year 5 – Oliver OR (141) Mazie (116)
Year 4 Max G (116) Emily Mc (100)
Year 3 Poppy (97)
Year 2 Ivy 132 Alice (99)

SYMPHONY MATHS

I am so impressed with **Max G in Year 4** – I think he is our Champion of Champions for Maths over the last two weeks. He has completed 165 minutes one week and 155 minutes the next week. I think Mrs Machell is going to be impressed with her class – as I think they had more minutes than any other pupil did.

Shea – 149, Daisy-150 Riley-119 Orlaith-101 and Thomas D -74. Keep it up guys! Mr Costa will be looking forward to getting such a hardworking knowledgably set of mathematicians in September. Year 3 have also done well though with Luca R (153, 150) and James C (142, 128) standing out two weeks in a row.

Other stars of the show are Jessica H 123, Theo 163 Imogen 97/83, and Chloe 91/93. Well done year three we are proud of you.

Year 2 Yakub (124/111) Ivy (138/78) Isaac 60.

Year 6 Kya (129/62)

Year 5 Mazie 138/78 Bailey 61.

I am so proud of how you are all doing – please keep it up over the next 8 weeks and I shall be able to give out lots of certificates when we get back in September for both Lexia and Symphony. Mrs Todd

PHOTOGRAPHS

Charles (1) has built The Golden Hind this week....you have put a lot of hard work into this, fantastic!

Luca (3) is enjoying doing his Symphony Maths each morning in his PJ's! You look very relaxed Luca!

Victoria (4) has enjoyed making Baklava this week as part of her homework – this Looks yummy! Well done!

Oliver (5) and Emily (R) have picked blueberries from a bush and made blueberry muffins! Yum! They have grown lots of their own fruit and veg during spring and summer! Great work both of you!

Olivia (2) has enjoyed reading and writing about Pandora's Box – she has even made her own magic box! That looks fantastic Olivia!

Louis (5) has enjoyed his Science work on amphibian lifecycles this week! Well done Louis, we are glad to hear you have enjoyed this topic!

Frankie(R) enjoyed writing about the life cycle of a butterfly this week. He is excited about watching his caterpillars change into butterflies! Keep us updated Frankie!

Emma (3) has worked hard on making Tutankhamen's tomb! She has included decorated walls, a messy room, a treasure room and even Tutankhamen's tomb! What a fantastic effort Emma, well done!

Shea (4) has made a Greek mask and Greek honey cake as part of his Ancient Greek work. Well done Shea they look fantastic!

Ava (3) has enjoyed learning about flowers and plants. She has tested the effects of adding different food colouring to the water! Very colourful Ava! Let us know the outcome!
