

Newsletter - 10 July 2020

[Please remember to view the school calendar/website for further information](#)

Our Catholic Mission

Father Anthony will be coming into school to say Mass for Year 6 children on Friday 17th July at 11am. Year 6 children who are not in school on this day will be able to join in via Google Meet - they will receive an invite from Miss Teague.

Class pupil numbers

If you know anyone who is in need of a school place for their child/ren from September 2020, we have spaces in Y1/Y3/Y4/Y6. We anticipate these places will be filled quickly so would encourage mid-year applications to be submitted as soon as possible. Further information can be found on the school website.

September Re-opening

Following the release of government guidance for schools to fully reopen in September on 2nd July, we have begun to make plans to ensure that all our children can return safely. We are currently working on our risk assessment and this will be published on our website before the end of the Summer Term. We cannot wait to have all of our wonderful children back with us! You will be receiving a 'welcome to the new school year' letter next week with further details, including arrangements for your child's new start time and end times.

Badgers Wraparound Care

We are pleased to inform you that following discussions with Humpty's we are able to offer before and after school care from September. Please see the school website for more information.

Uniform

Government guidance has advised that schools are to return to their usual uniform policies from September. Please refer to our uniform policy on the school website.

Transition

Teachers have been working hard making transition videos ready for their new classes. You will be receiving a link to your child's new class video. Please note that this is for your own use only and should not be shared on any other platform, including social media.

On Monday and Tuesday next week, school will be open as normal for those currently attending. After school, teachers will be having a 'Google Meet' online transition session with groups of children. You should have received your invite to this meeting today. You will need to login to your child's school Gmail address to access this.

On Friday 17th July children will finish at their usual pick up time. We will not be closing at lunch time.

Traffic congestion outside school due to building site works

School Crossing Patrol believe the traffic situation outside school due to Keon Homes building contractors has become unacceptable. They have asked if parents could [report their concerns](#) too as this will have greater impact.

Return of reading and library books

Please ensure that you have returned all reading and library books by the end of term. Any uncollected pupil exercise books will now be returned in September.

End of Year Reports

Your child's end of year report will be emailed to you next week. The information provided in the report is based upon your child's achievements from September 19 March 20. If you have any questions about the content of the report please use the class email/ Google classroom to contact the class teacher. Please feel free to complete the pupil comment page at home with your child.

And finally

This week has seen our Y6 (Bubble 1) return to school. We have loved having them back and being able to say a proper "goodbye". We wish them the very best in their future endeavours.

May God be with you

Miss Briers

Acting Headteacher
