Summer 2

10th July 2020

Reception

Year 1

Year 6

and

Keyworkers &

Home Learners

Dear Parents,

With one week to go we are all still working at full speed to make sure we are ready to welcome all of our children back in September. New risk assessments are well underway and the classrooms are being set up to make sure we stick to scientific guidelines making sure our children, families and staff are safe. Importantly, we are also working on our curriculum, recognising that so many children will have been away from our school for six months. Returning to a daily routine with lots of other children to consider might feel strange so we are planning for a timetable and taught sessions that are designed to smooth the way. Please watch out for information from school next week which will explain when and how children will return.

This week, our fabulous support staff took to the road, delivering school reports and books to children who were not in school to collect their own packs. If you have not yet received yours, it is likely you were not in when they knocked the door. In that case, reports are now in the post and we will save children's work for September.

Wishing you all a super weekend,

Mrs G Bowser

Reports and New Classes

It has been a very busy week in school. By now you will have received your child's end of year report and information about their new class for September. The staff delivering the reports said how lovely it was to see so many smiling faces and it was great to see you all.

It's a Puzzle!

In your report pack, you will have also found some transition activities—a booklet to be completed, a blank postcard for the children to write to their teachers telling them a bit about themselves and a jigsaw piece. This is to be coloured in and will create a display in their new classrooms. Please make sure you use the stamped addressed envelope to return the postcard and jigsaw piece to school before the end of next week.

Children in Year 6 can refer to the school website to find information about Year 7 transition.

Free School Meal Vouchers

FSM vouchers will go live for Parents to use today, Friday 10th July. These vouchers will be for those parents that have made their applications and it will be a one off voucher to last throughout Summer.

Birthday

Birthdays from - 22nd June - 28th June - Happy Birthday!
