Newsletter Issue 96

Dear Families,

I hope you have enjoyed this week's theme of Space. At school we have enjoyed learning the name and the order of the planets in our solar system.

We thought of some funny rhymes to help us!

Next week's theme is all about journeys. As well as looking at transport we will be preparing for your return to school. Keep an eye out for a special delivery through your letter box!

We hope you enjoy your weekend and we look forward to the final week of the Summer term.

Library Books

It would be an enormous help if you could drop any library books back to the library. They are open Monday & Tuesday next week and every Tuesday after that. Alternatively, if it's easier feel free to drop the books at school.

Price Increases

The cost of producing schools meals is due to rise in September. We are working with County Caterers to ensure that we can continue to provide children with healthy meals using fresh produce from local suppliers in the most efficient way possible. Unfortunately, the school does not have the resources to subsidise this increase and it will therefore be necessary to increase the charge for a school meal with effect from September 2020. The cost of a meal will rise from £2.50 to £2.60 for all three primary schools in The Ryedale Federation. The cost of a nursery meal will increase from £2.00 to £2.10.

Prices of other services within school are also going to raise slightly. We do try to keep costs as low as possible but as costs to school go up we need to off set them to cover out goings.

Nursery Lunchtime Supervision—£2.20

Nursery provision— £14.75 per 3 hour session

Breakfast Club—£4.00 per session.

Breakfast Club Sibling/Federation Employee Discount—£3.00
