14th July 2020

Dear Parents/Carers

We are planning to operate our Breakfast Club as normal from the start of the new academic year as current Government guidance has indicated that this will be permitted from September. In order to aid us with forward planning could you please indicate if you would like to make use of this service.

Please can you tick the dates that you are looking for your child to attend Breakfast Club.

The earliest drop off time is 8.00am. Your child will receive a nutritious breakfast and be cared for by trained staff who will ensure your child is taken to their class for the start of the school day.

Payments to be made by sQuid – details to follow. If your child is eligible for Free School Meals please let us know this

Don't worry if you change your mind about specific days nearer the time, this is purely to gauge the level of interest for planning purposes.

Please return this form with provisional dates selected by Friday 17th July.
