

Wednesday 15th July

Good Morning

Each morning the Reading Ambassador, for each class, would go to the Poetry Tree to collect the daily poem. The teacher or the ambassador would share the poem with the whole class – I am hoping you will be able to read the poem each day to your child so that they can continue to discover and explore the deeper meanings and connections of the world – thank you for your support with this.

Moonlight, Summer Moonlight

'Tis moonlight, summer moonlight,
All soft and still and fair;
The silent time of midnight
Shines sweetly everywhere,

But most where trees are sending
Their breezy boughs on high,
Or stooping low are lending
A shelter from the sky.

50 things to do before you're 11¾

Get your kids closer to nature with '50 things to do before you're 11¾'. There's plenty of outdoor activities to do all year round, from watching the sunset to creating some wild art. Many can be done at home and in your garden.

If you want to print of the poster and tick off every time you complete one of the activities, we have uploaded it to our website under 'Home Learning' or you could visit

<https://www.nationaltrust.org.uk/features/50-things-to-do-before-youre-11--activity-list>

We will share any completed posters in an assembly in September.

Here is the daily challenge!

Be a Science Explorer

Can you find three food chains and identify the producers, predators and prey?

50 things to do before you're 11¾

How many have you done?

We've been working closely with kids just like you to put together this list of the best things to do before you're 11¾. (Although lots of them are still great fun even when you're 81¾.) You'll find fun things to do for every kind of outside place, from mountains to sea, forests to fields. So what are you waiting for? Get out there and see how many you can do!
