Dear Parents,

As we come to the end of the year, I would like to thank you for your support during this year. A great thank you for your kind words and for the numerous gifts received. It has been a very different and challenging year but we are now looking forward to a fresh new academic year come September.

I wish the very best to all of the Year 6 pupils who are leaving the school this year. Their contribution to the school has been exemplar and it has been a privilege to see them develop during their time with us. It has been very odd this year not being able to farewell in our usual way. Apologies for this.

The welcome for our new children at the beginning of the Summer Term this year was unfamiliar as well. We look forward to welcoming our new Nursery children in the near future. We are also very keen to meeting our new parents during the new year. Please send me an email if you have any questions or would like to discuss any matter.

It is with great sadness that we bid farewell with a conscientious and diligent member of staff. Mrs. Sarah Lund has been a valuable member of staff for many years at the Infant Department. A happy retirement to her and thank you for all of your hard work. We are looking forward to welcoming Mrs. Lynn back to school following her maternity period. I hope Samuel will not miss his mum too much!

You all will by now have received a welcome letter from your child's new teacher in the J2E file or by post. The table below shows an approximate idea of how school will re-start in September.
