

## Year 2 Children's Newsletter

Dear Year 2 children,

We have made it! It's the last day of the school year... And what a year it has been!

2020 will go down in history as the year of Corona Virus.

The year the children stayed at home.

The year the parents became the teachers.

The year we learned just how important it is to WASH YOUR HANDS!

Despite it being such an unusual time, you were at Meridian from September to March and we managed to squeeze in so much! Do you remember the trip to Battle Abbey? Who could forget the Woodlands expert bringing in all those animals (and the taxidermy fox!)? And of course the fabulous trip to Friston Forest.

We mustn't forget... all the fantastic learning!

If you wish to, there are the transition activities and all the home learning on the school website for you to look at again. Please continue to use Sumdog and Timetables Rockstars to maintain those skills you have worked so hard on this year.

Here are some more examples of Year 2 home learning and transition activities completed:

Sienna has drawn this wonderful self-portrait.

We love your colourful rainbow dress and hat!

We can definitely see a resemblance!

Amelia has made this fantastic poster all about herself.

Yes Amelia, we think you are funny and make people smile too!

Rory made this amazing cartoon strip as part of his home learning. Just look at all the detail!

This must have taken ages!

Rory is so proud if this he has even put it up on his wall! We would too Rory – it's really is an excellent piece of work!

Stay safe!
