

Year 4 children's newsletter

Friday 17th July 2020

Hi there Year 4,

It has been wonderful to see so many of you immersing yourselves into the home learning and transition activities. The past 7 weeks have been a little different, however, you have persevered and challenged yourselves in your learning and it has been wonderful to see.

As an end of term celebration, let us explore some of the fabulous learning some of you have sent in to us:

Monster poem.

A monster called this morning,
his emotions and thoughts
all in a mess.
After some serious thinking,
he worried even less.

Sun, fun and joy.
These are the things of
happiness.
Happiness is lovely.
Happiness is a smile which
gives me a warm glow.
Prinose, lemon and banana.
These are the colours of
happiness.

Rain, clouds and tears.
These are the things of
sadness.
Sadness is like a rainy day.
Sadness is an upside down
smile.
Pale blue, navy and petrol.
These are the colours of
sadness.

Mad, mean and moody.
These are the things of anger.
Anger is like a rumbling
volcano.
Anger sounding like
thunder.
Dark red, maroon and
ruby.
These are the colours of
anger.

Sharks, spiders and snakes.
These are the things of fear.
Fear is like a fierce
tiger.
Fear is a dragon spitting
fire.
Jet black, pitch and coal.
These are the colours of
fear.

Sleep, nap and rest.
These are the things of
calm.
Calm is like fresh air.
Calm is a quiet rest.
Mint, olive and lime.
These are the colours of
calm.

A monster called this morning,
he was in a terrible way.
We chatted together
and I told him what to
say.

Have a read of this fantastic poem by Cameron M, inspired by The Colour Monster! He has worked incredibly hard to use all of the poetic devices taught, as well as using beautiful joined up handwriting. Well done Cameron!

Dear Miss Baldrian

In Lock down i've been learning about decimal Places + Fractions and bar charts. In English i've been ~~teach~~ learning about letters, Stories and Poetry. In Science i've been learning about Sound, heat and energy.

In lock down i've enjoyed riding my pony because it is fun and it takes up most of my spare time. Last week I took my pony to ~~the~~ Seaford beach we had loads of fun we also played in the water. I've enjoyed playing with my dog Spike, we often play tag of war it is so much fun. I've enjoyed working Spike + we always fun in front and play racing together. Have you had fun at home?

I am looking forward to going back to school because I want to show my good work to every one. How do the teachers collect the work? What has changed about school?

I'm looking forward to seeing you soon.
From Esme.

Isla H and Esme H have also been hard at work writing a letter to their new teacher. They have used clear paragraphs to introduce themselves and discuss their feelings and worries about next year. Fabulous work girls!

Dear Ms Baldrian,

My name is Isla.

How are you? I'm writing to let you know about all the exciting things I've been doing at home. I've learnt about volcanoes, oceans, Blagues and Risks. Is there any new words you have learnt? I have learnt comestibles which means food and antidisestablishmentarianism which means opposition to the disestablishment of the church of England.

Have you been hallowing your? I have been jumping my pony and I did that about 2 weeks ago I did it make the deer sound. I have also baked a few cakes. Have you baked anything? My favourite thing to bake is mint chocolate melting moments what's yours?

When I'm back at school I think I will play in the play ground with my friends and work extra hard to keep up. How different will it be at school? What will it be like? I can not wait to go back to school. Looking forward to being back at school.

see you soon Isla.

We hope you have an amazing summer!

Miss Butcher and Ms Baldrian ☺
