

Year 1 Newsletter – 17th July 2020

Our Home Learning this week

This week in English we have become mini designers. We have planned and designed our dream classroom and home. We had all sorts of wonderful creations from zip line rooms to fast food restaurants and swimming pools and football pitches!

This week we have been playing lots of fun maths games and activities to recap the 4 operations. We started with a multiplication and division treasure hunt in the playground and finished with playing our favourite games on top marks. We even solved the mystery of who ate the gingerbread man's feet by solving a series of problems.

We have had so much fun in the afternoons. We were inspired by Quentin Blake's illustrations in Charlie & the Chocolate Factory and had some wonderful afternoon fun at Forest School.

A message for the children:

Dear Year 1,

Thank you so much for surpassing my expectations of how smart, kind and grown up year ones could be! You have worked so hard over the last few weeks, at school or at home.

I am extremely proud to have shared these last weeks with you, and I can't wait for our adventure to continue in September. In the meantime, enjoy your summer and I'll see you again in September!

Lots of love from Mrs Morris x

A message for parents:

I can't thank you enough for all the support you've given myself and your children over the last few months. If there is anything you need, please drop me an email:

e.morris@knaytonacademy.org and

I will do my best to help!

Have a lovely summer.

Mrs Morris x

Shout-out to...

All year 1 children for being such role models and working so hard.
