

Year 2 Newsletter – 17th July 2020

Our Home Learning this week

Hi everyone! Wow! Can you believe that it's the last day of the summer term and of Year 2? It has gone so quickly! This week in Maths we have been using all our knowledge from Year 2 to complete lots of different problem solving challenges. In English we have been writing book reviews, quizzes for other classes and writing about our achievements from Year 2 and setting challenges for Year 3! In the afternoons we have been busy looking at our wellbeing, we have been designing our own i-Pad games, investigating about dancing raisins and drawing illustrations like Quentin Blake! We also had our Class Zoom with Miss Padgett so you can see all your new classmates!
