

Year 5 Newsletter – 17th July 2020

Our Home Learning this week

You should all be very proud of yourselves for your continuous hard work and determination this year. Learning has been a little different for the last few months but you have all adapted amazingly well and have shown just how wonderful you are!

This week in English you have been writing advice booklets for future Knayton Students and in maths, you have completed a range of number and shape problems.

I hope you all have a fantastic summer, I will miss teaching you next year!

A message for the children:

What a brilliant year you have all had! We have loved teaching you and watching you grow into kind, young individuals.
Enjoy you holidays,

Love from
Miss Glover and Mrs Hallam ☺ x

A message for parents:

Thank you for being so kind and supportive this year, especially during recent months.
I hope you have a lovely summer and a well-earned rest from home schooling!

Take care and best wishes,
Miss Glover x

Shout-out to Year 5 for being such a fun, energetic and hardworking bunch!
Jack and Yolanda, we will miss you lots. Your new school is very lucky to be getting you both! ☺
