

Our Learning this week

Year 6 have had a lovely last week in school, and I have really enjoyed been part of it.

In Maths, we have played a couple of different games, including a class favourite, 'The Pirate Game'. Along with this, they have created their own mazes and had a go at making their own Minecraft self-portrait.

In Writing, the children have produced their own advice booklets, which are now in the front office for future prospective students. Along with this, they have created their own acrostic poems, linked to something about Knayton.

As part of our 'Learning Mission', we have participated in a range of activities, including: Bingo, a sports morning, which included; throwing golf; team relays and a balloon popping race, 20 questions and charades.

On a side note, I just wanted to say thank you to all parents and children who are involved with Oak Class. Your children have been a pleasure to teach and I will miss them greatly. They are credit to each of you, and I know that they will continue to push themselves when they move onto their chosen secondary schools.

Thank you, and good luck.

Mr Clayton

Shout-out

A huge shout-out to: Hugo, William C, Harry, Toby, William H, Elle, Layla, Isabella, Olivia, Jess, Lucy, Kitty, Cassie, Ava, Chloe, Lucia, Abi, Kieron, Charlie, Ollie and Jonny!

Thank you for making this year at Knayton my best teaching year yet!
