COMPASSION COMMUNITY COURAGE CURIOSITY

Dear Parents,

As we sang our school anthem this morning I felt the words were so true for us here at St Mary's: 'We may be small but we are strong...' The strength of working together as one community has certainly shone through over the last few terms. Today we say farewell to our wonderful year 6 children. On behalf of all the staff, I can honestly say they have been a pleasure to learn alongside. They have kept us on our toes, made us laugh with their wonderful sense of fun and humour and perhaps most importantly, taught us so much with their huge skill set and wide variety of talents. Mrs Scott told me often how proud she was of each and every one of them. Year 6, we wish you every bit of happiness in the adventures that lie ahead of you. Please try to remember our four school values in all that you do. Be kind and always follow your dreams!

Please come and visit us so that we can share your stories.

With our very best wishes,

St Mary's team

COMMUNITY SING-A-LONG

It was truly wonderful singing with so many of our families this morning and great to see that the children were signing the chorus so confidently.

SPORTS DAY

This week saw a very different but nonetheless competitive sports day. Events ranged from throwing a personalised paper plate, jumping, the 5 in 1 race, limbo, slalom as well as the at home challenges. A great effort by all who took part and lots of fun- even the Great British weather didn't stop play. However the points have been verified and counted, the results are in....

Drum roll please.....

The Winners of the 2020 St Marys Sports Day are.....

DAHL

2nd Donaldson

3rd Morpurgo

4th Rowling

It was an incredibly close finish and lovely to see the children enjoying themselves, being active and trying their very best to earn points for their team. Well done to all team players and their houses.

Have you seen the beautiful flowers on our front playground? A very big thank you to Hugh Matthews who crafted the beautiful planters for us.

Please take a look at Portishead library summer fun:

You may like to share this prayer together as a family:

Dear God,

As we come to the end of another school year, please help us to celebrate all the wonderful learning that has taken place with our friends, families and teachers. Let us be grateful for all the interesting activities that we have done in and out of school. Thank you for reminding us to support each other in the challenging times we have found ourselves in recently and show compassion to all those around us.

Amen
