Update

Dear Parent/Carer,

I hope this email finds you safe and well.

We would like to thank you for allowing us to take care of your child outside of school hours. It's a pleasure working with the pupils of Coopersale & Theydon Garnon CE Primary School!

I wanted to update you to reassure you that we intend to return to your school in September.

For the new academic year, we're excited to continue offering your child the opportunity to learn through play in our popular clubs. While they have fun and benefit from our expert instruction, you can enjoy the flexibility of dropping off and collecting your child at times that are more convenient for you.

We will again be running both our popular before-school breakfast club and activity-filled after school club. In both cases you have the choice of booking a single session to fit in with your needs. In the short term, we shall only be running the after school club until 4.30pm.

Shine Clubs has been working with the school leaders to ensure that we are Covid Compliant and that children will be kept in their bubble groups. The club will reopen on Monday 7th September and be open for Year 1 to Year 6 pupils only. Reception children will be invited from October.

As previously, your child can attend on individual days or you can book for a complete term: breakfast, after school or both! And you'll be leaving your child with the knowledge they are in safe, caring hands with highly-trained, qualified staff.

Please note that from 1 September 2020, we are no longer able to accept cash payment in line with being Covid-19 compliant. Payment for your Shine Clubs can *only* be made online, please click on the links below to book and pay for your child's place. Spaces are limited so early booking is advised.

I thank you for your assistance in supporting the local and national efforts to combat Covid-19.

As a bonus, if your child is unable to attend a session after you have paid, we'll allow them to join us another day free-of-charge.

Wishing you and your family a healthy summer, and we look forward to seeing your child in September!

Your Sincerely,

T. Charles
