Changes to reopening – September 2020

Dear Parents/Carers

We have given very careful consideration to the staggered start and finish times. One of our biggest concerns is around the congestion at both entrances. Therefore, we have decided to allow one parent only to come onto the school grounds to collect the child from the teacher. **Please note that this is only for the end of the school day.**

Please may we ask that you maintain social distancing measures at all times and note that the teachers will not be available to discuss any issues or concerns due to the limited amount of time available to ensure that the staggered finish times work effectively and all children are safely off the school grounds. Any concerns that you have about your child must be communicated through the school office:

0191 594 7982 or [emailoffice @hvj.org.uk](mailto:emailoffice@hvj.org.uk)

We know that several parents are concerned about siblings and the different finish times. To support you with this, we will allow the sibling who comes out of school first, to wait in their sibling's year group area. There will always be staff on the yard from 2.50pm until 3.30pm. I must stress that any misbehaviour during this time will mean this facility will be stopped.

As with all of the arrangements for our reopening in September 2020, we will monitor this carefully and review at the end of the second week back to school. Parents will be kept updated.

Thank you for your ongoing patience as we re-adjust to the hchallenging post lock down reopening of the school.

Kind Regards

Hayley Sutton

Headteacher
