

# Mallard Primary 4<sup>th</sup> September 2020

"Come on a learning journey with us"

## Mallard Primary School

### Welcome back!

It has been lovely to see the children back this week! We have missed them all dearly. I would like to take this opportunity to thank all of our families for your cooperation and patience this week whilst we adapt to new routines and schedules. The children are all enjoying their new classes and have taken to the new routines extremely well, we are so proud of them all! Please remember, the main office are still there to help on the phone and via e-mail even though the office window remains closed for the near future. Mrs Siverns

### Fareshare

We currently receive deliveries from Fareshare Yorkshire which is a company who helps ensure that food which would normally go to waste from supermarkets, gets redistributed. We will be distributing on Thursdays to our families. If you would like to sign up to receive notification of when we have food available for you to collect, please contact the school office. Thank you

### Class Dojo

We have been using Class Dojo to reward our children for a while now but we are venturing out and looking at using it to communicate directly with parents. There will also be the option for you to send a message directly to the class teacher meaning you can share news on your child both ways and see the work they have been doing in class. You will also be able to message the main office for any other queries. You will soon be receiving more information and your personal codes for your child's class. Watch this space!

### Events and school visits

As I am sure you are aware, we have had to postpone all our school visits and visitors for the foreseeable. This will not impact the children's learning as we still have lots of exciting ways to help them learn. We also love inviting our families in to engage with us in learning and celebrating but we have to postpone all these events too to ensure the safety of everyone. We do hope to be able to hold virtual parents meetings in the near future but as you can appreciate this will take some facilitating so please bear with us.

### Attendance for Week 1

CLASS	% Attendance
