4th September 2020

Dear Parents and Carers

Here we are! Monday morning sees us welcome our children back to school, where they most assuredly belong. As do the teachers, support staff, office staff and everyone who has followed the vocation to care for and teach our community's children.

We look forward to seeing and hearing them all again and we are confident that the children in our school are best placed to get stuck into the job of getting back to where we belong.

On a practical note...please see the time and location of your child's / children's drop off and pick up. As previously stated, **if you have more than one child**, they all get dropped off with the earliest sibling and picked up with that sibling's class at the end of the day.

It is vital that you are prompt when picking up and dropping off in order that we can maintain the best social distancing possible for children staff and parents.

Time	Main Gates	Nursery Gates	Car park gates
8:45 – 3pm	Year 2	Reception	
9:00- 3:15pm	Year 3	Nursery	Year 5
9:15- 3:30pm	Year 4	Year 1	Year 6

Bear with us – it's all new and unfamiliar to everyone but, after a few days, it will be second nature I am sure.

Until then, have a great weekend, keep safe and we'll take great pleasure in seeing you all on Monday.

Yours sincerely,

Stephen McNicholas

Headteacher
