## Welcome back everyone!

It has been a great few days, where children have settled into school well and adjusted to their new classrooms, teachers and routines. They have not seemed fazed at all.

I haven't got any dates at the moment for you because there are not going to be any Whole school or class assemblies, Charity events, PTA events or Masses, until further notice.

The class teachers have sent class **Welcome letters** out this week and will continually Ping or Tweet any messages out to you, as and when necessary. So please keep checking Ping and follow your child's class on Twitter.

We are going to carry out **Meet the Teacher meetings** via Zoom so information about that will be given out in next week's Newsletter. This is where you will have the opportunity to ask the class teachers anything at all about the classroom routines, rules, curriculum etc.

Thank you so much for bringing your children on time in the morning, for queuing on the socially distanced markings and following the one way system. They look very smart and have been ready to learn and play. We have all enjoyed a sense of normality as we return to our new school routines.

Please check our school website for the latest Covid updates.

Our Reception children / New starters enjoyed their session with us this week. They begin their part-time timetable on Monday 7<sup>th</sup> September wearing their school uniform.

I hope our Year 6 children have settled into their new secondary schools successfully. We've had a few of them who have come back to tell us that they have. Thinking of you all.

### Please can I remind you of a few school rules:

- No ear rings on the days children come to school wearing PE Kits. Children cannot take part in PE lessons wearing ear rings. Ear rings must be studs for school.
- Children are not permitted to change their school shoes into trainers for play time.
- We ask you put names in all of your child's/children's uniform and on their water bottles.
- You **MUST WEAR A FACE MASK** when coming into the reception area and it is only two adults in at any one time, socially distanced. Thank you everyone!

## **Rewards & Celebrations**

All the team points from this week will be calculated and children rewarded next week.

The Always Award begins next week.

*Have a lovely weekend!* From Miss Daley

Autumn 1 Week 1 - 4th September 2020
