Message from Mrs. Wild

I want to say a huge well done to all the children who have returned to school. They have come in with such positive attitudes towards learning and huge smiles, it genuinely feels like they have never been away. Keep up the amazing work.

Can I also say a huge thank you to all the parents who have been so supportive as we transition to the new COVID-19 procedures and routines. Your patience and understanding has been very much appreciated. As always, we will continue to review arrangements to ensure that we have the safest and best provision in place for our children.

Swimming Sessions - Y5 (2020/2021)

Following transition to the children's new year groups, our weekly swimming sessions will resume. The first swimming session will be on Friday 25th September. Children will need to bring in their usual kit. A reminder will be sent to parents ahead of the session.

Permission to Walk Home Alone - Y5 / Y6

It is our school policy, that children in Y5 and Y6 are permitted to walk to and from school independently. To support us in our home time organisation and to ensure that we have the strongest safeguarding procedures in place, we require all parents with children in these year groups to click on the following link to give permission to their child walking home when required. broadoak.salford.sch.uk/information/forms

Drop Off and Collection Arrangements

Due to the restrictions necessary within school, the collection period at the end of the school day has become a particular focus in school. I would like to remind parents of the following points that will continue to support us in ensuring the safety of all our children:

- Parents/carers should practice social distancing both on and around the school premises.
- Parents/carers should leave the school grounds or outside school as soon as their children enters/leaves school
- Only one parent should drop off/pick up to help reduce congestion
- Vehicles should avoid entering the White Horse car park
- Children should arrive and be collected promptly at their allocated slot
- Fixed play equipment should not be used at the start or end of the day
- If parents arrive early for collection, we ask that they stand back until their time slot
