07 September 2020

Dear Parents/Carers

The School Nurse team will be visiting school on the 15th October 2019 to administer the Flu Immunisation to children. Your child will only be given the immunisation if you give your permission by following the below instructions from the Immunisation team.

The Immunisation team will follow Covid secure procedures for administering Immunisations. Nurses will see each class bubble separately and will be wearing full PPE.

Dear Parents/Carers

For the school year starting September 2020 we will be continuing with the e-consent for the Flu Programme. This year we are vaccinating children in **Reception, Year 1, 2, 3, 4, 5, and 6**. **When completing the e-consent, please state the year group your child will be in at the beginning of the school year September 2020. If you have already completed a consent form you do not need to do this again.**

Please visit <https://www.derbyshireandcityimms.co.uk/Forms/Flu> to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for **Ripley Infant School** is **DD112612**

For more information about the vaccination and the date we are due into your school please visit our website: <http://www.derbyshireschoolnurses.org.uk/parents/immunisations>

It is unlikely that we will be able to run "catch up" clinics this year so please make sure you complete a consent form before the date we are due into school.

If you experience any problems please call the School Age Immunisation Team:
