Is your child's class

"On time at 5 to 9" ?

School opens at **8.45am** when children can go to their classrooms and get ready for the start of the school day. Please make sure that your child is in their class, ready to work by **8.55am** at the latest.

Thank you to all our families for following the school Coronavirus guidance both on school site and nearby.

We have heard of four local schools to date who have had to partially close to some year groups. Each of these schools is currently reporting a single case, an 'outbreak' is considered to be two or more positive tests.

For this reason do not arrive before 8.45 and remain distanced from other families as they come into school. Please inform us of suspected symptoms or a positive test asap. Thank you.
