Dear Parents

SOCIAL DISTANCING – POLITE REMINDER!

First of all, thank you very much indeed for bearing with us with the staggered start and finish times that we have had to implement to enable us to keep the year groups apart. We know it is frustrating when you have more than one child in school, so we are very grateful for your co-operation with this.

The morning drop-off seems to be going much more smoothly now, which is great. However, at the end of the day there are a number of parents who are congregating at the gates whilst waiting for their children and there doesn't seem to be as much social distancing going on as there should be.

The children in school have very quickly understood the rules that are in place and are adhering to them beautifully; it would be a real shame if all our efforts to keep our community safe within the school building aren't being replicated by the parents outside the building. It is absolutely vital that parents remain 2 metres apart whilst on school grounds. We would all be extremely grateful for your support with this.

Yours sincerely

Miss S Selmi
Head Teacher
