Newsletter week ending 11th September 2020

Mrs Truslove writes:

As we reach the end of our first full week I am delighted to report that everyone has settled back into school, and it has been lovely to welcome our new reception children, who have been little stars.

Thank you so much for your cooperation at the start and end of the day - it has made for a safe way for the children to enter and leave.

Just a reminder that no-one should enter the building, including the office reception, without prior permission. It is important that we keep this area as clear as possible as it is our quarantine area should anyone become ill during the day.

Absence

If your child will not be in school can you let us know in person, by phone or email **each** day of absence (before 9.30am). Thank you.

Internet Safety

We have been made aware of a disturbing video that is circulating on social media at the moment, especially TiKTok and other social media platforms. We believe the video has been removed from TiKTok but has been and is being shared on other social media platforms. To support schools and parents, Northamptonshire County Council has put together some advice on how to manage the incident and how to safeguard young people online, especially if they are distressed from seeing the video.

They recommend the following websites to look at:

The [UK Safer Internet Centre](#) offer some great guides and [Internet Matters](#) is full of useful information especially around keeping safe on social media.

Attached to the emailed newsletter, are two important handouts for you to have a look at.
