Welcome back everyone!

Thank you so much for bringing your children on time in the morning, for queuing on the socially distanced markings and following the one way system. They look very smart and have been ready to learn and play. I think we are all getting used to this new system, especially those with siblings collecting and dropping off at the *same* time. This is of course optional and has been set up in an attempt to help Parents with their work commitments.

Reception children have a few changes as from next week so please check out PING, where you can read the letter from Mrs Gilman.

We have refreshed the look of our website again, hope you like it. Please check it out and visit our school website regularly for the latest Covid updates. We have put 4 new documents/videos on since last week. Also you can follow me on Twitter as I also put information on there, as another form of communication.
