CJ's Playcare is able to offer quality out of school childcare by the reliable provision of a safe stimulating environment, in a warm and friendly atmosphere with qualified, caring and responsible staff.

The staffing ratio at CJ's Playcare allows individual needs to be met and parents can feel secure in the knowledge that their children are being well cared for at all times.

Continuity in approach is achieved by maintaining close contact with parents and teachers and encouraging dialogue so that staff are aware of the changing needs of each child.

Open before and after school and in school holidays.

Playcare is available -

8am to 6pm

Monday to Friday

All year

except Bank Holidays and Dec 25th to Jan 1st

Full-time and part-time places with bookings for the whole year, holiday only, or term only.

Adhoc arrangements for those not needing a regular place.

A wide variety of age appropriate activities are available and children are encouraged to explore their own recreational interests, thus building social skills and self esteem.

In general no activity will be compulsory, however by involving the children in the choice of activities there will be something for everyone.

In addition there may be the opportunity to take part in outings, both locally and further a field.

Children and parents are always welcome to suggest new activities or places to visit.

You are welcome to come and look around CJ's Playcare but, for security reasons, please telephone first.

The policies and procedures that underpin our organisation may be viewed at each location.
