15th September 2020

Dear Families and Students,

In the occurrence that your child needs to self-isolate or a bubble is closed due to a confirmed case of COVID 19, we will use Seesaw to create a holistic approach to home-learning. Seesaw will help us work together to provide students with meaningful learning experiences at home. Find out more [here](#).

### **Action Needed - Set Up Your Child to Learn Remotely with Seesaw Class App**

Our families already have access to the Seesaw family app which we have used to share our home-learning previously. We have resent the unique code for this today in case this has been lost.

We are now asking students to use the Seesaw class app if their class closes or they are self-isolating which will enable your child's teacher to use Seesaw to share learning activities and resources, capture your child's learning, but also communicate about progress and needs. Our families will also be able to share children's work using the Seesaw class app and teachers will be able to provide feedback.

### **Help your child log into the Seesaw CLASS app at home:**

1. For tablets or phones, download the **Seesaw Class App**  
For laptop or desktop computers, **go to [app.seesaw.me](http://app.seesaw.me)**
2. Your child logs in by clicking **I'm a Student**

Today we have sent home a unique Home Learning Code for your child to log in at home: **Enter the text code** or **scan the QR code**

**For help getting your child logged in**, watch [this video](#). If you have any questions please check [here](#) or feel free to email [admin@allsaints.calderdale.sch.uk](mailto:admin@allsaints.calderdale.sch.uk)

The All Saints' Team
