DATA COLLECTION SHEET

If you haven't already done so, please send back your data collection sheets A.S.A.P. These are very important. Mrs Tonks has already started to update the information and I am surprised at how many phone numbers, Drs etc have changed. Thank you in advance.

LIBRARY BOOKS / READING BOOKS

We have recently had several new books returned to school which are either water damaged or torn beyond repair. Could we respectfully ask that these are looked after as replacements can be costly to school.

FUTURE EVENTS

Guidelines from the government and DfE is updated and changes on a very regular basis. We are all aware of the current campaign in which groups of 6 or above may not meet. We also know that there are exceptions to these rules, including some religious events, weddings, some areas of performing arts and so on..... In light of the facts as we currently know them to be, we have taken the decision not to have any group gatherings for the foreseeable future. This will include the following:

Whole school masses (in Church or School)

Parents evenings

Christmas Concerts or Carol Services

Fund raising events

As you know, the children are kept in bubbles in school and this of course, is to minimise contact between children in case of infection, and to support the track and trace if it is needed. If we were to host any of the above events we would be exposing the adults in our community to close contact with each other and staff. This is an ideal opportunity for the virus to spread and has been clearly proven to be the case.

Whilst all these events are lovely and form a huge part of our community, they are not essential to our function of educating the children through a pandemic. We all hope and pray they can be re-established next year in school. However we will try and produce some 'virtual' Christmas events so watch this space.

In terms of keeping you informed about your child's progress, we will be sending out a mini report card around October Half Term with brief details on your child's attainment and progress. This will give you an indication on how well your child is doing. But, if you have any concerns or want to chat with your child's teacher, please do contact them either by Dojo, or by calling school. Staff will get back to you as soon as they can.

NON UNIFORM DAY / SCHOOL FUND

Every half term we will hold a non uniform day for £1 towards our school fund which is rapidly going down due to our lack of fundraising events.. **The first one will be on Friday 25th September.**
