Newsletter week ending 11th September 2020

Mrs Truslove writes:

Well done to the Year 6 pupils who completed their Level 2 Bikeability course this week. Luckily, the weather was kind for them! The Bikeability instructors commented on how well behaved and polite the children were. Well done to all.

Could I please ask all parents collecting children at the end of the day to park considerately and not to block driveways. Could we also suggest that parents waiting to collect children, wait on the school side of the road, for safety reasons – socially distanced of course. Lastly, the poor Haddonstone lions have put in a request that our children do not climb on them at the end of the day! Thank you so much for your help with this.

Mrs Barnes / Mrs Truslove

As the weather is getting colder could you please make sure your child has a coat, as we are outside for as much time as possible during the day.

Next week in maths, Year 1 will be learning addition and subtraction. We will also be finding out that we have five senses and we use them to learn about the world around us.

Mrs Gibbins

Times table tests have got off to a good start. Please help your child to practise, it makes a huge difference. Next week it will be the 2x table. Maths lessons continue to focus on addition and subtraction including place value for year 3.

Homework is in the yellow books.

We have started our work on the Stone Age and are reading Stig of the Dump as a class reader.

Mrs Pickles/Mr Wilkinson

Very well done to Year 5 for their superb 'Where in the World' Presentations this week, they were absolutely excellent!

Next week in maths we will be working on mental and written addition methods.

We are moving on to the 4x table next week.

Homework this week:

There is a different homework task this week instead of the spelling homework sheet.

Yr6: Maths: 3 pages in the CGP books on Negative Numbers and Place Value (p.4,8&9).

English: 3 pages in the Grammar book on synonyms and antonyms (p.8, 9&10).

Yr5: Maths: 2 activities on Mathematics on rounding and multiplying decimals by 10, 100.

English: 2 pages in the Grammar book on adverbs (p.10&11).

Yr4: Maths: 3 activities on Mathematics on Roman Numerals and

English: 2 pages in the Grammar book on pronouns (p.8&9).

Bags to school collection

There will be a Bags 2 School collection on Tuesday 29th September. Please bring items in a black bin bag and leave in the car park from 8.45am. Please see the link below with details on the items they are collecting.

**Recycling**

We are currently not collecting recyclables. This may change in the future - we will keep you updated.

Letter from The Friends of East Haddon School

Dear parents and carers,

May I wish a warm welcome back, to both new and existing parents. I hope your children have all settled back into the routine of school, and to parents of Reception, I hope your children are enjoying the start of their new chapter at East Haddon Primary. These are totally extraordinary times and life now for everyone is incredibly difficult, hence my letter. Living within the restraints, we have to find ways to adapt.

The Friends of East Haddon have been running for many years and we are a lively group of volunteers.

The main function of Friends is to support the school by raising as much money as we can to enhance, enrich and improve learning experiences for the children. We also provide those 'little extras' that make their time at East Haddon Primary so memorable, such as contributing towards Theatre Trips and fun workshops, which the children love.

We have also recently helped towards the new playground, which with new social distancing, has been invaluable. Sadly many have not seen that the school hall and top classroom have been redecorated through the summer.

Our AGM this year is on Tuesday 13th October, which sadly cannot be the usual open event, so if anyone has any great ideas for virtual fundraising, please email the school office on bursar@easthaddon-ce.northants-ecl.gov.uk Likewise, if anyone would like to join the Friends Committee new members are always very much welcome.

Raising funds this year is going to be a challenge, but there are ways you can help. Attached to this emailed newsletter are details of the Local Lotto - we have had lots of winners and this has already raised over £1000 for the school. Also, Amazon Smile gives you the chance to nominate a charity and they then pay a contribution – again, information attached. If you could possibly spare a few minutes to look at these it would be greatly appreciated.

Finally, if anyone works for a company which offer Match Funding and you would like to help the school, please let us know, as this has previously made some great events even more successful.

Thank you for reading and I wish you a lovely weekend.

Yours sincerely

Sarah Springett
