The Re-lighting of the Church is now complete and only took two weeks as a cherry-picker was squeezed through the side door with only two inches to spare; this enabled the workmen to reach the higher levels much easier. I would like to thank the architect Mike Overton from Ilkley for all his work during the last 15 years and for designing the lighting system with all the shrines, statues and particularly the sanctuary illuminated with a soft but clear light. Thanks also to Rob Baines from Skipton and his electricians Adie & Jim who worked so hard and always showed such care for the church building.

R.I.P. Monica Richmond whose Requiem Mass is on Wednesday at 10.30am with Reception on Tuesday at 6.30pm; we offer our sympathy & prayers to her family and friends at this time.

Bible Study Invitation: how the Bible can help us understand illness, disability and caring is written by Bernadette Meaden, a freelance writer on social issues, particularly welfare reform and its impact on the poorest and most disadvantaged members of society. This small booklet offers thoughts and questions for reflection, prayers and suggestions for considering the topic more deeply. Please contact Keith or Frances for more information about the book.
