CELEBRATION NEWSLETTER

Hello and welcome to the first issue of our Celebration Newsletter. This will be a weekly update celebrating the amazing children who shine at Meridian. Each week you'll read about those children who have been awarded commendation along with others who throughout the week have put that extra special something into their learning. I look forward to sharing these wonderful moments with you across the year.

Miss Miles and Miss Roberts took the first 'virtual' commendation assemblies of the year. They said it was wonderful to see the look on the children's faces when they found out they had been chosen.

You can read what they received their commendation for below.

Best wishes

Mr Doody

Deputy Headteacher

In our virtual whole school assembly we spoke about one of our school values – kindness. In these different times, now more than ever, it is important that we are **kind**.

Doors being opened for each other, please and thank you said without hesitation and helping friends up when they fall over are just some of the acts of kindness I have heard from our children.

BE KIND
