### EVERY SECOND COUNTS

Respectful. Resilient. Resourceful. Reflective. Responsible. Ready.

## IN THE NEWS

### EYFS Update

Our newest pupils are settling in so well into school. They have had a wonderful first couple of sessions in their small groups and we are very much looking forward to them all being in and staying for lunch next week!

## MORE NEWS

### Water bottles

Thank you to those of you that sent your children to school with extra water or drinks the last couple of days. Please remember, I encourage you to send in two water bottles so that your child has an adequate supply throughout the day.

### Online Learning

By now, all classes should have received their planners home with your child's online learning logins contained within. Please check that the logins work correctly on your devices at home and that the children can successfully log in to access online learning. If there are any issues, please email your class email address and the Classteacher will be able to help you further.

### Meet the Teacher

Usually, at this time of year, we hold Meet the Teacher meetings for you to be familiar with the class adults, their expectations and the routines in school. These will be virtual this year, so watch this space for further details coming very soon.

*Fingers crossed the sun continues to shine this weekend! Have a lovely weekend.*

## ATTENDANCE

The national expectation for attendance is 96%. The government has clarified the position regarding the term 'regular' attendance. It means children must be in school **EVERY DAY**. Every second counts at Montgomery. We **must** work together to improve attendance and punctuality even more.
