Dear Parents, Carers and Children,

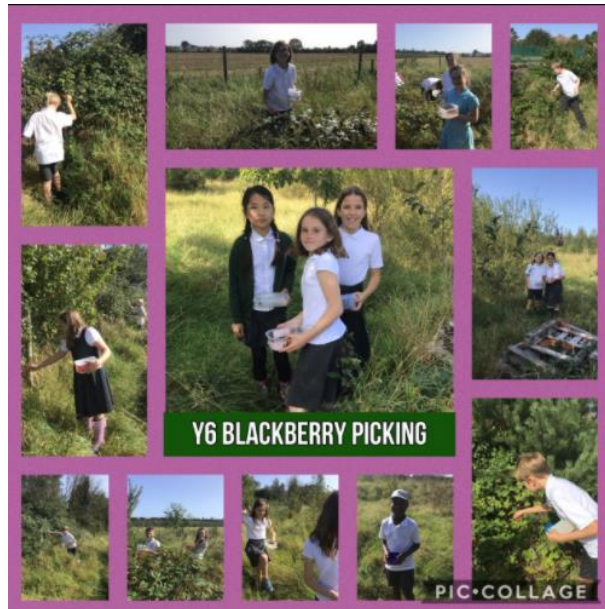

We have enjoyed a fabulous warm and sunny week this week, bliss! Hearing and seeing the children enjoy the playground together, in their bubbles, has been wonderful.

### Stars of the Week

Congratulations to this week's Stars of the Week. Mabel YR; Freya Y1; Felix Y2; Elsie Y3; Freya Y4; Ellie J Y5; Faith Y6. Well done for all your efforts!

### Forest School Forage

To enrich our learning on rationing during WW2, Year 6 went to Forest School to forage for blackberries. We had a great time and took home lots of blackberries to use in baking at home. Enjoy your crumbles Year 6!

"It was very enjoyable and worth taking the risk of being pricked. I'm looking forward to making my crumble!" Harry T

"All those scratches paid off when I bit into that blackberry!" Layla S

"It was worth the prickle when I had my juicy fruit salad. Yummy!" Emily T

### Meet the Teacher

As we are unable to welcome you into school to meet our teachers at the moment, each teacher will post a 'Meet the Teacher' video presentation on Seesaw today. If you have trouble accessing the presentation, please get in touch with your class teacher through Seesaw or by email.

### Say Cheese!

We are delighted that the school photographer will be with us on 2<sup>nd</sup> October 2020. The company will be photographing the children within their bubbles and cleaning between each bubble. Please see the attached poster outlining the safety measures they have in place

Sadly the company will be unable to photograph siblings together this year, unless of course they are twins in the same bubble. They will however take both individual and whole class photos.

Our thoughts and prayers are with the Grantham family, sending you all our love at this sad time.

Very best wishes for a peaceful weekend,

**Anne Clewley, Head Teacher**
