Dear Parent/Carer

The children continue to rise to the challenges of the new school routine. I thank parents for staggering the 8.45am arrival time and for coping with the post 9 am drop offs.

We look forward next week to welcoming all of our Reception pupils full time. Please could I remind parents that registers are not taken till after 9am.

IF YOU ARE ARRIVING WITH YOUR NEW A RECEPTION CHILD PLEASE DO NOT ARRIVE AT 8.45 AM .Please arrive **at 8.50-8.55 am** when there is **no queue** and a free flowing entry into school. If you have a family drop off to make then other KS1 pupils should also arrive at this time. It will help ease congestion further and likewise their register is not taken until after 9am.

I am very aware that at 8.45 am any parents who has arrived early will be queuing and this queue can extend as far as the path end if we all try and arrive at 8.45am.

Thank you for making this work.

Yours sincerely

Aileen MacMillan
