SCHOOL UPDATES

Transition Time!

We have had a great start back to the year and have all enjoyed reuniting as a class once again. Today those children who will be starting in a new class have had the opportunity to meet their teacher. Together they have looked at photos of their new environment and discussed the routines. The link below will take you to the class page where you will find a copy of the presentation shared with your child for you to discuss with your child.

News Day Tuesday

What's going on?

A charity is seeking a review of the government guidance on care home visits. John's Campaign says many care homes in England are still refusing regular face-to-face visits, despite changes at the end of July that outlined new guidance for visitors

Things to talk about at home...

- ◆ Do you have any family or friends who live in a care setting?
- ◆ Have you ever visited a care home or residential home? If so, what was it like?
- ◆ Do you know anyone who works in a care home?
- ◆ Could you find out about what life is like in a care home? Perhaps you could ask family or research online?
