COMPASSION **COMMUNITY** COURAGE CURIOSITY

Dear Parents,

Your children continue to impress us with their resilience and positive attitudes to learning. Walking around the school, you really would not know that the large majority of our children had been out of school for such a significant part of last year. They are endlessly enthusiastic and are enjoying the challenges presented to them each day.

Morning and end of day routine:

Every moment counts in the classroom and we therefore ask you to make sure your child is dropped off at the correct time for their class. If they are 10 minutes late each morning this amounts to 50 minutes lost learning time over a week. It is difficult for children to make good progress if they have not experienced all of the planned learning activities through the week.

As Coronavirus infection rates rise, we would strongly encourage all of our family members collecting children to wear face masks. Not only does this help to protect our community but also sends a positive message to our children.

Please do keep in touch with us if there is anything you think it would help us to know about your child at home; we recognise that each child has had different experiences during lockdown and they return to us with differing needs.

Best wishes,

Sophie Westerwijk

Dates for your diary:

Wednesday 23rd Sept –
School Photos

Monday 2nd November
– INSET DAY

Tuesday 3rd November
– Start of Term 2
Flu Vaccinations

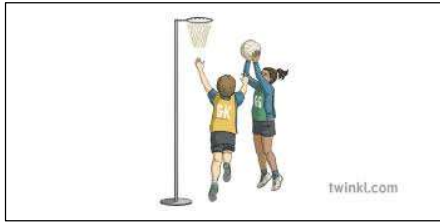

Monday 4th January
2020 – INSET DAY

Tuesday 5th January
2021 – Start of Term 2

School Photos

School photos will be taken on Wednesday 23rd September.
Unfortunately we cannot offer sibling photos to children not attending St Mary's.

PE News

Week 2 of Netball saw us add to our passes by mastering the bounce as well as making quick decisions and the target for catching.

Josh and Summer from Windmill and Tom, Jago and Joseph from Priory all **stood out** for being **value champions**, influencing their school and class community through their positive actions. Well done! We're very proud of you.

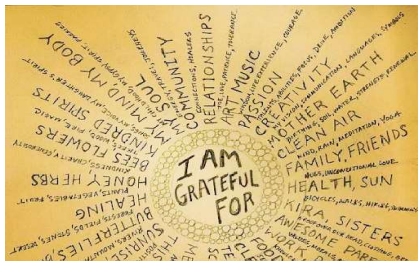

Esme was mastering a new one handed netball skill with Beth at After School Club and there are some lovely new 'Community' posters adorning the walls created at After School Club. Sampson, Orla, Charlotte, Summer, Florence, Lola, Esme and Ciara worked really hard on their creations.

Zach, Ned and Noah had the most rapid game of chase in the playground and did brilliantly to encourage others to join in.

Our skippers were back in action at lunchtime. Grace is the current champion with Lucy hot on her bouncy heels!

The mile is set to start in school.... where will the classes run to?

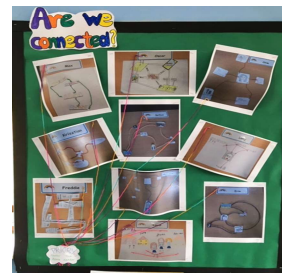

OUR CHRISTIAN VALUE – THANKFULNESS

Time to Talk:

What are the different ways we can show someone that we are grateful?

OUR SCHOOL VALUE THIS TERM – COMMUNITY

Time to talk:

How can we show that we are a community champion? What could we do in school and out of school?
