With faith, we care, share and learn together.

Wednesday 30th September 2020

Dear Parents & Carers

Thank you for bringing in shoeboxes. We will decorate them and return them to you by the end of this week. Please bring Harvest gifts to school on Wednesday next week. Our short Harvest celebration will begin at 9.00am in the playground on Wednesday 7th October if the weather forecast is in our favour. Harvest gifts should be tins and packets with a long use-by date please, and no fresh produce. Reserve days are Tuesday or Friday if Wednesday is wet.

Reminders:

- Children need to have their reading book in their book bag every day so that teachers can change them and rotate our stock of books safely. Please read as often as you can with your child, once each day is ideal. It makes a big difference to reading progress.
- Water bottles are needed every day and must only contain water please. As a healthy school we encourage the children to drink water regularly throughout the day. Juice can damage teeth and does not stimulate the brain in the same way as water.
- The Flu letters you have received require you to register your child online for the vaccination spray, and then return the printed letter to school. It has a barcode at the top right-hand side which is needed on vaccination day. We will store letters until vaccination day but we have not been notified of the date yet.

We continue to operate as safely as possible in accordance with Local Authority and Department for Education guidance. Should a Covid outbreak occur which results in school closure, we will provide activity packs for children to continue learning at home. In addition, we still have links to quality learning resources on our school website.

As face-to-face meetings are discouraged, our usual Parents Evening will not be possible. Instead we will send a brief written report on how your child has begun this academic year. If you would like to ask any questions, please contact Mrs Moss or myself by email or phone.

As always, if you need a chat about anything at all, please let me know.

Geoff Wharton
