Autumn 2020

World Mental Health Day

On Friday 9th October we will be celebrating World Mental Health Day. To mark the occasion we will be having a mental health assembly in our class bubbles and making posters. On the day we will be running a joke competition. Children can prepare a suitable joke at home to share with their class. The top 3 from each class will win a prize and children will watch a compilation video of the school's best jokes at the end of the day.

We're going on a story hunt

There is the opportunity to engage in an online active story session on Saturday 10th October. The event is FREE and aimed at parents/carers and their children aged 3 and over. It will take place via Zoom. Storyteller extraordinaire John Kirk will take you on a Scavenger Hunt storytelling session where a naughty monster has hidden the keys to the library! Help John tell the story by finding household items around your own home! Children will need means of drawing a picture and an adult or carer who is happy to help them turn the living room upside down in the name of a good story!

Tickets are available on Eventbrite. Follow the link to book your place: <https://tinyurl.com/y3y5sja6>

Data Collection Sheet

Parents/Guardians need to return the Data Collection Sheets as soon as possible. It is always important that we have this information in school but even more so with the current situation we find ourselves in.

Photographs

Photograph orders must be returned by Monday 5th October.

Parents / Guardians Survey

As part of our work to ensure home and school work effectively together for the best of all our children, we would appreciate if you would complete a short online survey about how we have successfully reopened school in line with covid-19 regulations. There is a link to the survey on Class Dojo, Tapestry and our school website. The survey can also be accessed via the following link:
