What A Kind Young Man !

Miss Wilson's elderly neighbour fell from her bike at the weekend and landed heavily on her knee in the road .The bike was on it's side, the basket had fallen off and there was shopping all over the road .

As Miss Wilson helped the lady , a young man came around the corner on his bike , stopped and offered to help .He picked up the bike, reattached the basket and gathered up all of the loose shopping. He even asked if there was anything else he could do to help .

When asked which school he attended, he replied "Meols Cop Miss " .

Joel, you are a credit to Meols Cop !

**Thank
you!**

Miss Stewart says well done to the following classes for their great effort with their English homework last week .

PE Department

Interform Competition at MCHS

The current pandemic hasn't stopped our efforts in the PE department this year and we are currently running interform competitions in the students' PE lessons to make up for sports week and sports day which was sadly missed this year.

As you can see below, Years 7-9 Interform boards have gone up in their year zones and will be updated by the learning support team on a weekly basis with new scores that come in daily from our Athletic PE lessons. Below are the current rankings for students in Years 7-9 and a massive well done to all of these students for ranking in a gold, silver or bronze position. Also a massive well done to all of our students who are working hard in their PE lessons to compete for a top 3 position, keep up the hard work and commitment!

This interform will run until every group has completed their athletics unit and the overall form winners will be announced in their team assembly, with prizes for the top forms in Years 7-9! A massive thank you as well to all parents and carers with how professional and smart our PE students are looking in their Meols Cop PE Kit! It is such a pleasure to see our PE students walking around school looking smart.

Thank you for your continued help and support with PE kit this year!

Take care from Mrs Pearce-Swift and the PE Department
