Dear Parents, Carers and Children,
 We have had a fabulous week at Alveston with lots of stories to share!

Stars of the Week

Congratulations to this week's Stars of the Week. Hattie, YR; James, Y1; Harry, Y2; TJ and Tabitha, Y3; Oliver Y4; Lexi, Y5; Fleur, Y6. Well done!

Forest School

Reception's focus this week has been The Scarecrow's Wedding. They went over to the Forest School for the first time to collect sticks and natural pieces to make

their own floor scarecrows. Despite the rain, everyone enjoyed themselves and the children collaborated brilliantly to create some superb scarecrows.

Who's been having a Goldilocks Day?

Year 1! They have had a great Goldilocks day today.

They have been acting out the story, tasting

porridge and making Goldilocks artwork.

What a lovely day!

Book Fair points make prizes!

Each year we hold a book fair at school. For every book sold the school earns points which we can spend on books. We are delighted that this year we had enough to purchase over 100 new dictionaries and thesauruses for KS2 classes. Thank you for every book you purchased!

Welcome!

This week our new administration assistant joined the school office team. Mrs. Clowrey will work on Wednesday, Thursday and Friday. Welcome to the Alveston Family Mrs Clowrey! – photo to follow.

Flu Jabs 2020

On Monday 16th November the school nurses will be in school to administer the flu jab to all our children. Consent this year will be online and a link will be sent home to you approx. 2 weeks before.

Harvest Festival Donations

This year we will be sharing our Harvest Festival video digitally...and it is coming soon! However this year, more than any other, the Stratford Food Bank needs all the help we can give them. They have told us they are desperate for tinned meat meals such as minced beef, hot dog sausages, curry, chilli, chicken in sauce, as well as tinned pies - both meat and vegetarian versions.

We would therefore like to ask that our Harvest donations this year are tinned meat meals. Children may bring in their tins from Monday 5th October until Friday 16th October. We will keep the donations within the class bubbles until 16th October. Following the weekend and 48 hours without being touched, we will take them to the Food Bank during the week beginning 19th October. This year more many more people have needed the support of the foodbank and we are grateful for any support you can give them in return. Thank you.

Generous Parent Donations – thank you!

We are so lucky here at Alveston to have such a supportive parent body. This week we would like to say a big thank you for some fabulous donations to school.

Reception toy donations: Thank you for all the toy donations made to Reception. The teaching team and all the children are very grateful for your support. There have clearly been some great 'sort outs' and the Reception children at Alveston are enjoying the results!

iPads: Huge thank you to Mr. and Mrs. Loquens for their very generous and kind donation of one full size and one mini iPad. Also having a sort out, they donated the iPads which are in immaculate condition. They will be welcomed by the children and class teachers alike. Thank you for asking, we were delighted you did!

Open Day for Reception 2021

This year we will be welcoming parents for tours of the school on Monday 26th October. Following all our COVID measures, groups of 4 will be given a tour of the school by Mrs. Newitt and me.

We also have a pupil place in **Year 4**. If anyone knows a family who would like to join us, please do let them know.

Very best wishes for a peaceful weekend,

Anne Clewley
Head Teacher
