**With faith, we care, share and learn together.**

Monday 5<sup>th</sup> October 2020

Dear Parents & Carers

I have decided that Wednesday 7<sup>th</sup> October has the more favourable weather forecast, so our Harvest Celebration will be this Wednesday at 9.00am.

Please arrive at school as normal but with your Harvest Box. The children can place their box on tables which will be in the playground, then they go into school as usual. If you are able to stay and join us for the celebration I will show you where to stand.

For the service we will have the children contributing a little and singing two songs. I will say a few words, and Reverend Louise will lead us in a prayer and blessing. The children (accompanied by you if you have time) will then carry their Harvest Box into Church and place it on a table in the entrance area. They will leave Church down the path to the main Church gates, say their farewell to you, and return to school up the school drive (staff will guide them). I hope you can stay and that you enjoy our celebration.

If you have any boxes or cardboard tubes which we can use for junk models, we will be grateful for them. Our stock of boxes has diminished recently, so please bring any you have spare to school over the next few weeks.

This term Parents Evening is not able to be a face-to-face meeting. Teachers will write a brief summary of the term so far for your child. We hope to send these home just before the half-term holiday. If you have any concerns, please phone school and arrange to speak to your classteacher.

As always, if you need a chat about anything at all, please let me know.

Geoff Wharton
