DROP OFF AND COLLECTION ARRANGEMENTS

The KS2 playground seems to be getting very busy in a morning. Please do not arrive too early as we do not want the different bubbles mixing. There seems to be children on the playground from 8:15am some days on bikes or playing football.

Please be aware that school staff are not responsible for these children until 8:45am. We are strongly discouraging early arrival to ensure children are keeping within their school bubbles.

- Year 6 start at 9:00am and are allowed in the MUGA and in the quiet area.
- Year 3/4/5 start at 8:45am and have the use of the rest of the playground.

Attendance

Reception = 96%

Year 1 & 2 = 95%

Year 3 = 95%

Year 4 = 93%

Year 5 = 97%

Year 6 = 90%

Whole School = 94%

These figures are from the 2nd September until the 2nd October.

Well done to Reception and Year 5.

FSM and ISOLATING

If your child is off school due to a bubble being sent home or if your family are needing to isolate for a prolonged period of time, Dolce can provide weekly food bags. You would need to let the office know 01772 743532 and they would organise these with the kitchen staff. It would be your responsibility to arrange collection of these bags by a family member, neighbor or friend whilst your family isolated.

Halloween this year

Hi all. My kids asked me yesterday what will Halloween be like this year.... I explained we probably won't be going trick or treating due to covid but then I've just seen a post on another page with an idea.....just like we all did with rainbows.... If we paint, draw etc a pumpkin and put in our windows....the kids can go on a pumpkin search and for everyone they find the parents put a sweet in there bags. This can be done throughout half term as well so you Dont have to stick to the 1 night. Just putting it out there to see what everyone else thinks about Halloween this year. 🍁🎃👻👤
